

Sports Premium Report 2016-2017

At TPPS we aim to utilise the Sports Premium funding to enhance all aspects of physical activity. This includes maximising pupil progress, increasing participation and competition in sport, building on and improving the professional development of staff and to help all our pupils develop a healthy lifestyle and positive attitudes towards Physical Education. The money is used so that all children in school will benefit from the funding, regardless of their sporting ability. Below is a list of spends since April 2016 and future priorities and intentions.

Festival/Event Fees

- Cross Country (Autumn Term)
- Dance Project (Spring Term)
- Tug of War (Spring Term)
- Athletics (Spring and Summer Term)
- Year 6 Swimming Lessons (Summer Term)

Milton Keynes School Sport Partnership (MKSSP) Termly Planning

Purchase and use MKSSP progressive PE planning and resources across all year groups with assessment tools.

New Equipment

Our aim is to improve the P.E. equipment that the pupils have access to in order to improve specific skills in a range of sporting areas. So far this year we have purchased:

- Gymnastic mats
- Gymnastic benches
- Netball bibs and balls
- Volleyballs
- Foam balls
- Badminton
- Floor Spots
- Tennis balls
- Bean bags
- Speed bounce
- Vortex
- Basketballs
- Rounders set
- Rugby balls and tags

- Kwik Cricket balls
- Footballs
- Hoops
- Ball pump
- Foam Javelins
- Coloured bands
- KS1 PE equipment
- PA system- To be used for whole school events such as dance showcase and sports days. To be used during whole school morning exercise routine, this will introduce daily physical activity for all children to help make them feel good and keep healthy.
- Play Leader equipment - to enhance the playtime experience by making playtimes and lunchtimes more active.

Future Intentions/Spends for 2016-2017

- MUGA (Multi Use Games Area) to be installed on the field. This facility will -
 - Enable children to be taught outdoor PE lessons throughout the year.
 - Enable children to play a wider variety of sports/games at play and lunchtime
 - A wider variety of before and after school sports activities to take place

Monitoring and Impact of Sports Premium Funding

The impact of the sports premium funding is reviewed regularly by the PE coordinator and the PE specialist alongside the senior leadership team. The children at TPPS are generally very enthusiastic to participate in sport and PE and as a school we promote a healthy lifestyle in all pupils from EYFS to Year 6. Our improvements in Sport and PE have been evident over the recent years through the success of our sports teams, the positive feedback we have received from staff, pupils and parents about our PE specialist Haley Holland

and the dramatic increase in participation numbers for our festival trials and after school clubs.

Throughout the year there will be more opportunities than ever before for KS1 children to participate in sport. They will be partaking in a variety of Games workshops and PE mornings ran by the MKSSP. 16 SEN children from KS1 and KS2 also enjoyed a day at the MK Springers gymnastics center where they took part in a 'challenge day.' The aim of these sessions were for the children to have fun and improve their confidence amongst their peers whilst taking part in a wide variety of activities.

Six year 6 Gifted and Talented pupils will also be taking part in a two-part G&T event ran by Haley Holland and the MKSSP, where activities will be organised on a carousel basis. Each session will be practical and the aim of the sessions are to allow the students to take part in a sport that they could then continue within a local club if they wished to.

We will also be taking part in the annual Dance Project, where our year 4/5 dancers will perform at Walton High Theatre in front of an audience of 200 people.
