

Sports Premium Report 2015-2016

At TPPS we aim to utilise the Sports Premium funding to enhance all aspects of physical activity. This includes: maximising pupil progress, increasing participation and competition in sport, building on and improving the professional development of staff and to help all our pupils develop a healthy lifestyle and positive attitudes towards Physical Education. The money will be used so that all children in the school will benefit from the funding, regardless of their sporting ability. Below is a list of spends since April 2015 and future priorities and intentions.

New Equipment

Our aim is to improve the P.E equipment that the pupils have access to in order to improve specific skills in a range of sporting areas. So far this year we have ordered:

- New team TPPS T-shirts
- New TPPS PE uniforms for staff
- New TPPS football kits
- PA system- To be used for whole school events such as dance showcase and sports days. To be used during whole school morning exercise routine, this will introduce daily physical activity for all children- to help make them feel good and keep healthy.
- Gymnastic floor spots
- Tennis balls
- Hockey sticks
- Footballs
- KS1 PE balls
- Playleader equipment - to enhance the playtime experience by making playtimes and lunchtimes more active.
- PE equipment for EYFS

Haley Holland- PE Specialist

- Provides 1:1 support for physical impairment children during PE lessons and provides support for teachers e.g. creating action plans for children

- Equipment management and maintenance
- Organised new playleaders and encouraging play 3 times a week
- Training and attendance for festivals
- Runs a variety of after school clubs - e.g. volleyball, football, dodgeball, benchball, rounders

Future Intentions/Spends for 2016-2017

Monitoring and Impact of Sports Premium Funding

The impact of the sports premium funding is reviewed regularly by the PE coordinator and the PE specialist alongside the senior leadership team. The children at TPPS are generally very enthusiastic to participate in sport and PE and as a school we promote a healthy lifestyle in all pupils from EYFS to Year 6. Our improvements in Sport and PE have been evident over the recent years through the success of our sports teams, the positive feedback we have

received from staff, pupils and parents about our PE specialist Haley Holland and the dramatic increase in participation numbers for our festival trials and after school clubs. We have also taken part in the Dance Project, where our dance group performed at Walton High Theatre in front of an audience of 200 people and our Sports teams have gone from from strength to strength often resulting in wins or top three positions. Throughout the year there has also been more opportunities than ever before for KS1 children to participate in sport. They have enjoyed partaking in a variety of Games and Dance workshops and PE mornings ran by the MKSSP. 16 SEN children from KS1 and KS2 also enjoyed a day at the MK Springers gymnastics center where they took part in a 'challenge day.' The aim of these sessions were for the children to have fun and improve their confidence amongst their peers whilst taking part in a wide variety of activities. Six year 6 Gifted and Talented pupils have also taken part in a two-part G&T event where activities were organised on a carousel basis. Each session was practical and the aim of the sessions were to allow the students to take part in a sport that they could then continue with in a local club if they wished to.
